Enlightened Solutions that Deliver Lasting Value.

THE TRUTH BEHIND OUR NAME

Our name, Seventh Sense Consulting, was inspired by our vision to provide extraordinary client experiences through **Enlightened Solutions that Deliver Lasting Value**. We think outside the box to provide next-level customer service and wide-ranging capabilities that exceed client expectations. Our unique approach ignites a trusted atmosphere for our talented Seventh Sense members which inspires innovative outcomes. We've found success in this approach for over 11 years.

JOINING OUR FAMILY ISN'T EASY, BUT IT'S WORTH IT

At SSC, we approach every decision with our Family-First Management style in mind. This style of thinking implements rewarding member practices such as: professional development, unique performance bonus approach and remote work options. Our increased level of client satisfaction and innovation is a direct result of our ability to attract and retain top tier talent. We believe in treating everyone like family so we invest in our members by sustaining as we like to say: "A culture so good, you just can't fake it." Like any family, we take care of each other, so our benefits package is no different. We offer unique compensation packages, flex time, paid holidays, bonuses, and special perks like community service day and your birthday and work anniversary off.
